

the city lights orchestra

CONDUCTED BY RICH DANIELS

All the sounds of the earth are like music...

FROM "OH, WHAT A BEAUTIFUL MORNIN'" BY RODGERS & HAMMERSTEIN

LISTEN. Our musical memory can help us anticipate a great evening to come, or recall a truly magnificent night in our life. Music cannot exist to us without our ability to hear, but it can touch upon all of our senses when it lifts our spirit above the rooftops with feelings of passion, joy and bliss...

Since 1974, Rich Daniels and The City Lights Orchestra have been creating moments and evenings such as this.

The many men and women who have been a part of this musical journey over these many years have taken the best moments from the American Popular Song Book of the 20th Century and inspired and excited

countless thousands of people across the United States.

Close your eyes. Listen. Let your imagination take you to places you have yet to visit.

Inspiration. Exaltation. Music.

The City Lights Orchestra.
